ABOUT ME

BIOGRAPHY

SLEEPY MANO:

A MULTIFACETED ARTIST FROM BANYUMAS

Born on January 30, 1995, in Banyumas, Rintoni Bagus Nurhasan As Know As Sleepy Mano exemplifies dedication and talent across various artistic fields. Known as a rapper, producer, graphic designer, audio engineer, video editor, and video director, Sleepy Mano has established himself as a prominent figure in both local and international art scenes.

Since graduating from high school in 2015, Rintoni has channeled his passion for the arts into numerous innovative projects. One of his most notable achievements is the creation of a small home recording studio named "Latomani Otra Vez." This studio has not only allowed him to develop his own talent but also to support emerging artists.

Notable Projects

Production of "Let's Send It"

In 2019, Sleepy Mano produced a song titled "Let's Send It" for a 12-year-old rapper named "Gnarls" from Seattle, Washington. This project showcased his ability to discover and nurture young talent, further solidifying his reputation as a music producer.

Albums Sold to Alameda Records

Embracing a DIY (do-it-yourself) approach, Rintoni designed, recorded, mixed, and mastered two albums, selling a total of 50 copies to Alameda Records in Udagawa-cho, Shibuya-ku, Tokyo, Japan. This achievement highlights his versatility and skills in all stages of music production.

International Collaborations

In 2020, Sleepy Mano expanded his artistic horizons by collaborating with musicians from Mexico, Colombia, and Ecuador. These collaborations not only enriched his experience but also strengthened his network within the international music industry.

"Satria Perwira Hiphop" Movement

Since 2018, Sleepy Mano has created the "Satria Perwira Hiphop" movement four times. This movement aims to promote hip hop and unite the community of artists in his region, fostering an environment of creativity and collaboration.

A Growing Legacy

Sleepy Manon is not just a multifaceted artist but also an innovator who has adeptly applied his skills across various art forms. His studio, "Latomani Otra Vez," symbolizes his dedication and passion for music, providing a platform for other artists to grow and develop.

As he continues his journey, Sleepy Mano remains an inspiration for young artists, demonstrating that with dedication and passion, it is possible to overcome any obstacle and achieve success in multiple artistic disciplines.
